Re: In the Matter of Reporting Requirements for U.S. Providers of  
International Telecommunications Services, IB Docket No. 04-112

Dear Ms. Dortch:

On July 20, 2006, Carol Bourdette, Jim Talbot and I had met (via teleconference) with Linda Blake of the Wireline Competition Bureau, and David Krech and Mark Uretsky of the International Bureau to discuss issues in this proceeding. Specifically, we addressed questions by staff regarding non-route specific reporting issues, focusing on how revenues and minutes generated by some services are reported today. We also provided information on some AT&T calling plans, and our views on trends in the international services marketplace.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in dark ink, appearing to read "D. W. S.", followed by a long, sweeping horizontal line.
